Tom and Lou Wetzel shared a concern they have on Happy Dr. about a heave that is breaking up the asphalt road surface, they were wondering if there was anything that the board could do. The board decided that they were unable to do anything right now. Seeing that they have already lined up a reputable company to do repairs and the road is not a township road.

Mike will look into the issue on the cul-de-sac by Duwayne Sonnenberg's driveway and try to determine if it is listed as such in the records.

2 proposals for black topping 410th Street were looked at, any decisions to proceed will be done after the road tour.

Daryl Haarstick moved to have L & M Road Services spray the road ditches for weeds. Joe Gerold seconded, motion passed. Daryl will notify them and see what time frame they have for spraying.
